

Crew Hotel Room Blocks

Contractually, **ALL** rooms blocked for crew member use should be:

- Non-smoking
- Located in the same vicinity (to the extent possible)
 - Adjoining doors only acceptable if AS crew
- On second or higher floors
- Handicapped accessible rooms should not be assigned to Airline crewmembers.
- Located away from:
 - Street noise
 - Entertainment facilities
 - Housekeeping areas or supply rooms
 - Elevator shafts
 - Ice machines

Talk to the manager on duty and notify the Flight Crew Support Coordinator via CrewCare (www.alaskaaircrew.com) if your room placement violates these requirements.

NOTE: Crewmembers can access the CrewCare website using their LDAP credentials (AS web userid and password). A separate userid and password is no longer required for CrewCare.
