

Pre-cancellation flow-chart

The following chart outlines provisions for handling sequences with one or more legs of cancelled flying, retimes, flight routing changes, and aircraft downgrades that occur in advance of the day of departure (i.e. first day) of a sequence, for a Lineholder or for a Reserve who picked up on days off, per CBA §10.S and AFA Settlement Agreement 2021-05-18.

**Crew Scheduling may offer pay protection at any time during the process, in which case you are relieved of any further obligation.*
