- 12. LOSA Observers will not be required to work on a LOSA observation narrative during a RON but may choose to do so.
- 13. The LOSA Observer performing the LOSA observation will not be considered part of the FAA-required minimum crew.
- 14. A LOSA Observer may be converted to a member of the FAA-required minimum crew on a flight they are scheduled to perform a LOSA observation to prevent a cancellation at a station that is not a domicile or co-terminal. The LOSA Observer will not be converted if there is more than one Flight Attendant available for required (i.e., non-voluntary) conversion regardless of their respective Occupational Seniority (e.g., a deadheading Flight Attendant will be converted prior to a LOSA Observer irrespective of Occupational Seniority). If converted, the LOSA Observer will complete the flight(s) until they reach a domicile or co-terminal, where they will be replaced. They will be paid one and one-half times (1.5x) the trip value for all such flights. If LOSA Observer converted to a member of the FAA-required minimum crew on a flight, no LOSA observation will be carried out.
- 15. The LOSA Observer must carry all required items for duty as outlined in the FAM but will not wear a uniform or the company-issued Flight Attendant nametag during LOSA observations.
- 16. The LOSA Observer will be booked non-bumpable positive space (currently B3).

F. LOSA TRAINING PROGRAM

- 1. The LOSA Training Program for training LOSA Observers must be approved by the LOSA Steering Committee.
- 2. At a minimum, LOSA Observer Training Program will fully train LOSA Observers on LOSA ethics, Threat and Error Management concepts, observational coding and narrative write-up for contextual support, etiquette and rationale, and use of any forms and recording tools to include the protection of Identifying Data (flight number/date, crew names, observer names, etc.).

1. Prior to the start of passenger boarding, the LOSA Observer must inform each Flight Attendant being observed. Working Flight Attendant may decline being the subject of LOSA observation up to thirty minutes (:30) prior to posted departure time without question. If any working Flight Attendant chooses not to be observed, the LOSA Observation will not take place on the flight and the LOSA Observer will look for a similar flight to observe, departing within a reasonable timeframe.
 2. The LOSA Observer will not conduct training, provide instruction, or give direction to working Flight Attendants in conjunction with their observation duties. The LOSA Observer will not provide feedback to working Flight Attendants regarding their observations except in the event of an immediate critical safety hazard. If such an event takes place, the involved working Flight Attendant(s) is (are) encouraged to file an ASAP report and follow the ASAP process.
 3. LOSA Observers are prohibited from recording names, flight numbers, dates, aircraft tail numbers, city pairs, or any other information related to LOSA observations that can identify a crew or individual.

Additionally, Flight Attendant line checks (i.e., check rides), Initial Operating Experiences (IOEs) and other training flights (including Flight Attendant trainee flights) will not be used for LOSA observations.

K. TERMS OF AGREEMENT

This Program is effective as of August 18, 2022 and remains in effect unless either party cancels this LOA with no less than thirty (30) days advance written notice. If such notice is given, this LOA will then become null and void and the Program will cease at the conclusion of the notice period.
